OUTER WEAR

Stylish layers.
All-season essential.

ACCESSORIES

Finishing touches
that define you.

SUSTAINABLE FASHION

We use responsible materials
and ethical practices for a
better tomorrow.

TIMELESS DESIGNS

Futuristic yet classic styles
that stay relevant, season
after season.

CRAFTED WITH CARE

Every piece is designed
with precision, passion
and perfection.

GLOBAL VISION

Committed to delivering quality fashion
worldwide while staying true to our roots.

MADE FOR ALL

Versatile collections for men and women
who value style and authenticity.

MG AGRI FOODS

To make a good name in the International market, we export farm-fresh fruits & vegetables across the globe. MG Agri Foods's exports worldwide to the destinations like Japan, Hong Kong, Middle East, Far East and South East Asia are worth-mentioning.

MG Agri foods has supported a broad spectrum of national and international clients. Its commercial production started in 2017 and with our prime products Mangoes. The company has progressively expanded its product range including Citrus and apples.

Our Fresh Products

Our Process

Our Presence

RESTAURANTS

- Our venture into the food business started with our initiation of Subway, a renowned food franchise, back in 2010 in Multan.
- Today we successfully operate 3 subway restaurants.
- Our passion for hospitality, serving quality food and delivering a memorable experience, led us to launch London Courtyard.
- London Courtyard introduced continental food style for the first time in Multan and created a whole new market.
- Since it's opening in 2017. LCY is best known for quality, fusion, innovation and unmatched dining experience in Multan as well as in Lahore.
- To experience a unique and luxurious ambiance with authentic desi cuisine, Passion foods introduced Aangan.
- At Aangan, customers can relish the substantial spices from the medieval subcontinent.

POWER

Solar Panels:

- Approx. 15 MW installation
- Latest half cell technology
- Approx. 2000 CO2 tons carbon emission reduced through Renewable Energy
- Contributing to the National Grid through Net Metering
- Online Energy Monitoring Platforms

Power Plants:

- Largest single user of CATERPILLAR Gas Engines in captive power division (Textile sector of Pakistan)
- Have Caterpillar 4MW CG260-16 Engine, the highest capacity gas engine in Pakistan in this sector of Prime movers.
- Latest and efficient Caterpillar 3520-Edge gensets

OURSUN

- Oursun Pakistan Limited incorporated in June 2015 as a public limited company
- Established to set up and operate a 50 MW solar power generation plant for the generation of electricity
- Company operates under the Renewable Energy Policy 2006
- Signed Energy Purchase Agreement with K-Electric Limited for a period of 25 years.
- Strategic investment in Oursun Pakistan with 27.5% equity

ORIENT

- Mahmood Textile Mills Limited holds a 11.07% shareholding of Orient Power Company.
- Incorporated to set up and operate a 212.7-megawatt
- Power generation plant for electricity generation and onward sale to the power purchaser.
